ALL MONEY RAISED IS DONATED TO THE SANTA SABINA COLLEGE PARENTS & FRIENDS’ ASSOCIATION
Each player hits from the tee and a choice is made as to the best of the shots. At this point, the other balls are collected and placed at the point within one club length of the original ball. The usual process is to mark the ball with a tee then all shots are taken. The sequence of shots can be set or varied as determined by the lowest marker.

If the ball chosen finishes in a hazard, the ball must be dropped in accordance with the rules of golf. This process continues up to and on the green. If a ball is holed, please move to the next tee promptly.

Once a team has hit their ball on the green all players will attempt to hole the putt. Each player will continue to putt until the ball finishes in the hole. To ensure play moves along we encourage the holing of short putts.

The team’s total score is achieved by adding up the gross score on each hole and reducing this by the team handicap, (total handicap divided by eight) (for 4 players) or by six (for 3 players).

EACH PLAYER MUST COUNT THREE TEE SHOTS!
