Please ensure that your application for the Father and Child Weekend Camp has been sent to the Business Office.

Health Forms

If you have not completed the Health forms (available through the links in SSConnect/Haiku), please ensure that each form is completed and returned to Business Office as soon as possible. The address, telephone, and fax details are shown on the top of the health form.

If you have any queries about the health forms, please contact Paul Holmes – ph 4841 0439.

Directions

Tallong Campus is approximately 2 hours from Strathfield. Further information about Tallong Campus can be obtained on the School’s web site: [http://www.ssc.nsw.edu.au/tallong-campus/](http://www.ssc.nsw.edu.au/tallong-campus/)

The directions to Tallong Campus when travelling south from Sydney are:

**OPTION 1 (Must be used for vehicles over 3.2 metres in height)**
Continue past Sutton Forest Shell/ Macdonald’s then turn off the Hume Highway just after Paddy’s Creek and take the Murrumba Road to Wingello. Before you cross the railway line at Wingello turn right; you will see a sign indicating “Santa Sabina College”. Travel southward for about 6 kilometres along the gravel road (and be aware that the road is narrow in places). You will cross over a creek and after passing two other properties (the last called “Wyadra”) you will see the Tallong Campus on the right. Turn right at the gate and follow the drive to the top of the hill where you are sign posted to the carpark.

**OPTION 2**
Turn off the Hume Highway at the Tallong/Bundanoon turn off which is about 21 kilometres past the Shell Service Station at Sutton Forest (just before the Marulan truck inspection station). Travel about 7 kilometres to Tallong, after passing the General Store on the right and the Railway Station on your left, the road veers to the right and there is a gravel road that goes straight ahead. Take the gravel road, go under the railway line (**CLEARANCE IS 3.2 METRES**) and after about 3 kilometres you will see the entrance gates to the Tallong Campus on the left. Turn left at the gate and follow the drive to the top of the hill where you are sign posted to the carpark.

Communication:

Internal: All buildings are linked by a telephone system. External: A phone can be made available for your use in emergency cases. Mobile Phone reception is limited on the campus to a couple of small areas.

**Important information:** The Campus is a **smoke free** zone and, over the weekend, **alcohol free** also.

**Items to bring:**
- Torch
- Rain coat
- Toiletries
- Sunscreen
- Insect repellent
- Clothes (to muck around in)/Track Suit
- Hat
- Warm Jumper or fleece
- Sleeping bag and pillowcase
- Plastic/Nylon bag for wet clothes
- Closed shoes (walking & ropes)
- Spare pair of shoes (for rafting) – they may get wet
- Change of clothes
- Swimmers/Towels
- Bath Towel
- Water bottle
- Small Back Pack
- Sunscreen
- Plastic/Nylon bag for wet clothes
- Closed shoes (walking & ropes)
- Quilt (there is one available, but some might like an extra one)

Preparedness for the fullness of all seasons is always recommended as well as functional (not fashionable) clothes.

**Accommodation/Snoring**

Accommodation is in bunkhouses. The children will have their own accommodation and the fathers will have their own accommodation. Some concern has been expressed (and was most evident at previous Father and Child weekends) about snoring. Could those fathers who are loud snorers or light sleepers, please ensure this was/is indicated on the Application Form (or let John Randall know on a strictly confidential basis) so that appropriate sleeping arrangements can be made?

**Other questions?**
