Explore The Dominican Tradition
Experience The Catherine Sullivan Centre
Mother & Daughter High Tea
Ballroom Dance Lessons
Ex-Students’ Debutante Ball

Places are limited and will be finalised before the conclusion of Term 4 2014.
**Vision**

2015 brings the 91st Annual Ex-Students’ Ball and The Debutante Enrichment Program. The aim is to provide young people with a positive experience to enrich their lives, beginning with a journey of personal development, culminating in a celebration whereby Debutantes are presented as young adults in a family focused environment. The Debutante Ball is a long standing tradition within the College community; an official College function. This tradition along with the personal development program is an opportunity for positive growth on a journey to senior education and adulthood.

The girls will be encouraged to gain a greater understanding of the Dominican values and traditions. Led by Sr Elizabeth Hellwig, they will visit Rosary Lodge and Explore the Dominican Tradition.

2015 Guest of Honour: Susie Stenmark Class of 1973

Susie Stenmark is the Creative Director of STENMARK, women’s and men’s fine jewellery. Susie’s background is in media with a focus on beauty, art, fashion, and contemporary culture. As a teenager, Susie co-hosted a daily children’s morning television show before beginning a modelling career as well as a long list of television commercials.

Susie has also run her own restaurant on Sydney’s Bondi Beach, been a journalist and television presenter, features editor of *Vogue Entertaining* magazine, and for 10 years headed up communications for Chanel, Australia.

Susie has always had a deep desire to create. As the Creative Director of STENMARK, she has an aptitude for drawing and a strong interest in design. Susie uses her studies in gemmology and the influences from architecture and antiquity in her designs.

**Workshops**

June Dally Watkins will be conducting a personal development and life skills program developed to empower young women to become confident leaders in their world. The experienced facilitators and mentors at JDW offer interactive workshops giving young women the opportunity to discover who they are and what they want to be, by giving them knowledge, practical skills, gentle guidance and encouragement to achieve their best. To find out more about the programs visit the website www.jdwc.com.au

**The Program**

The Debutante Enrichment Program including the Ball will be conducted during term one and will be held on Sunday afternoons with one after school session and one breakfast session. All dance lessons will be held at the College. Boys partnering the debutantes are only required for the dance lessons. All Year 11 and those leaving in Year 10 are welcome participants.

My wife and I were thrilled to join our family in celebrating the occasion of our Granddaughter’s Debutante Ball. We were very proud of her; she looked wonderful! It is a tradition that I think should be continued for families to share.
